

### Biography

Robert E. Baird, Jr. RN, MSA

Robert has extensive experience in healthcare management developing strategic plans and directing financial, operational and clinical initiatives. He is currently the President of the National Cancer Treatment Alliance (NCTA) a national network of community oncology practices whose goal is to contract directly with health care purchasers. Prior to joining NCTA Robert was the CEO of Dayton Physicians, where he merged 3 independent Physician practices (Medical Oncology/Radiation Oncology/Urology) to create a large multi-specialty practice. Robert received his Master of Science in Hospital and Health Service Administration from Central Michigan University, a Bachelor of Science in Education from Bowling Green State University and a Nursing Degree from Excelsior College.

Robert is married with three children and enjoys travelling, hiking and spending time with family and friends.
