

Name: Fred Barton

Title: Vice President of Account Management

Fred has over 15 years of experience in the pharmacy industry and 10 years as a practicing Doctor of Pharmacy. Some of his experiences include managing retail pharmacies, practicing specialty pharmacy, leading teams of pharmacists while scaling national operations and implementing adherence and medication therapy management programs.

Fred is setting a new standard for how to understand, manage and believe in your pharmacy benefit. His experience as a pharmacist and commitment to patient care equip him with the clinical knowledge and empathy to formulate a solution that is best for his clients. As Vice President for Account Management at EmsanaRx, he is responsible for knowing what employers want and need for their members.
