

Cora Opsahl is the Director of the 32BJ Health Fund, a self-funded plan that provides affordable, comprehensive, and innovative health coverage to 200,000 union members and their families. During her time at the Health Fund, Cora has led the implementation of multiple benefit changes: removing NewYork Presbyterian hospital system and physicians from the network, transitioning to a new pharmacy vendor and pharmacy group purchasing coalition, and implementing an expanded Centers of Excellence program administered by Mount Sinai Hospital System. These efforts are projected to save over \$35 million in 2022. Prior to joining the 32BJ Health Fund, Cora spent 12 years with Express Scripts, a Pharmacy Benefit Manager. During her time there she held a variety of roles, including Medicare Part D, strategy and acquisitions, operations, and account management.
