

Mandy Breckbill, Healthcare Executive Director, Genentech.

Mandy has 20-plus years of experience in the biotech industry. Most of her time has been spent with Genentech, a member of the Roche group. Mandy leads the Houston Ecosystem representing the entire Genentech portfolio that encompasses ten therapeutic areas (Neuroscience), Oncology, Hematology, Respiratory, Immunology, Stroke, Hemophilia, Rare Disease, Ophthalmology, and Flu). Her team comprises Reimbursement and Access Managers, Therapeutic Area managers, Clinical Education managers, Business Engagement Managers, and Portfolio Healthcare directors. Mandy is particularly interested in closing the gap between Health Equity and social determinants of health. Her team is not only active in working with the healthcare systems but also serving the community in which they live.
